LETTER

Mail Stop Issue Fee  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

We received a Notice of Allowance and Issue Fee Due dated April 13, 2005, indicating the amount due for payment of the issue fee was \$700.00 and the publication fee was \$300, which is the amount due for a small entity.

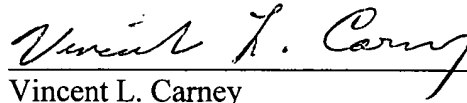

On July 13, 2005, we paid the issue fee/publication fee as a large entity, checking box 5b on Part B of form PTOL-85 indicating the applicant no longer claims small entity status and enclosed a check in the amount of \$1,700.00 (see attachment A) for payment of the issue fee due as a large entity.

On July 29, 2005, we filed a petition to withdraw application from issue due to an inventorship problem. This petition was granted on August 4, 2005.

Enclosed is form PTOL-85 for payment of the issue fee/publication fee as a large entity. The Commissioner is requested to re-apply the previously paid issue fee of \$1,700.00 (attachment A)

paid on July 13, 2005, to the issue fee paid by the enclosed form.

The Commissioner is hereby authorized to charge any additional fees which may be required at any time during the prosecution of this application without specific authorization, or credit any overpayment to Deposit Account No. 03-0778.
